HENRY WARREN, MANUFACTURER OF Miner's Patent Pumps

Miner's Patent Parens

FOR WELLS and CISTERNS,
No. 437 River at. Tro., D. 7.
The attention of the public is repectfully called to the images on their of these Pumps now in the, as to the testimonish of thousands with have thoroughly proved these. The working cylinder and plunger, and all the woraling or operating parts of them are of cast-tron. Two pipe is of clear stuff—pine—turned off to shout four incress in diance or, fitted for screwing togother at each end, and boiled in a reamous composition which makes it very durable, and free from all the objections charged against lead pipev as being is jurious to health.
The advantages peculiar to them are excames, durability, exce of operation, and security against frost; they are also light and portable, and escurity against frost; they are sleo light and portable, and escurity against frost; they are which the subscriber has had in the business, makes him confident of giving entire statisfiction to every parchaser.

All orders for Well or Cistern P-mps should give ac-

irchaser. All orders for Well or Cistern Pamps should give acturate measures of the same from the top of the platform to the bettom, so that the length may be formed suitably

prepared to make up at prices which cannot fall to please. up garments, they would respectfully invite to call and ex-

curate necasures of the same from the top of the platform to the bottom, so that the length may be formed surably at the shop.

Persons building new cisterms and designing to place these Pumps in them, need not incor the expense of a curb above the platform, as the Pump is scarce sgainst frost without it.

As a cantion in regard to other kinds of Pumps in circulation which have not my likel upon them, the place and wooden parts of which being mide of white-wood, and some of them of examiner wood I deem it property and some of them of examiner wood I deem it property one say that all the wooden pipe of my manufacture is selected frow the best of white pine, heart stuff, free from sope of from the best of white pine, heart stuff, free from sope and being holled and well saturated in a resincust composition, it warranted in every respect a superior article.

The following persons are agents for the sale of my Pumps, and have at all times a supply on hand!

Messas, Osborn & Luttle, Hardware Dealers, 23 Fulton st., N.Y. Mr. James S. Gould, 365 South Market st., Albany, Mr. H. L. Ward, Schenectady, N.Y.
